LEAVERS' PROM 2019

This year's Leavers' Meal took place at Leigh Sports Village on Thursday 27th June. Over 80 pupils attended, all looking their best and arriving in style. Our Year 11 pupils enjoyed a three-course meal and then danced the night away until it was time to get on the bus back to school. A number of prizes were awarded on the night such as funniest pupil, most trustworthy and also most likely to be Prime Minister. We then selected our Prom King and Queen. It was a close contest with Kai Atherton and Emily Kennedy eventually being crowned. It was lovely to see so many staff members attending, which highlights just how much the year group mean to us here at Dean Trust Rose Bridge. We will miss them all and would like to wish them every success as they move on to the next chapter in their lives.

Reading Success

We have had some brilliant results once again from the Reading Plus group. In Years 7 and 8, 32 pupils have made significant progress since Easter, including 17 who are already reading at the correct level for their age or above. There are too many to mention individually, unfortunately but they will each be receiving a Praise Postcard home. Special mention must be made to Isobel Worswick in Year 8, who has increased her reading age by 2.8 years and Michael Culshaw who has increased his by an incredible 3.5 years!

Summer is the perfect opportunity for pupils to enjoy some of the excellent books that are being written for young people at the moment and this has the added benefit of ensuring that their skill in reading does not decline over the long Summer break. Unlike a computer, you can enjoy a book outside all day in the sunshine, without having to plug it in! If you are looking for inspiration there are lots of suggestions for Summer reading on the website; www.lovereadng4kids.co.uk

Healthy Lifestyles Champions Project

To conclude the excellent work of the Year 10 sports leaders this year, we were invited to Dean Trust Wigan to take part in the final project of the year called the 'Healthy Lifestyle Champions Project'. The primary aim was to raise the profile and involvement within sport of our younger pupils across the Wigan Borough. We selected ten very talented pupils who had a fabulous day learning lots of new skills through the excellent guidance of the older role models. We were also joined by elite athlete mentor Charlotte Hartley, who gave a very inspiring talk full of advice and encouragement. Well done to all involved!

Race for Life

Last week our pupils took part in our annual fundraiser for Cancer Research UK. This was organised by Miss Warren for all pupils in Years 7 -10 during their first PE lesson of the week. Pupils wrote heartfelt messages of support and encouragement before completing their 5k run on the school field. A huge thank you and well done to those who have contributed to the cause.

Dean Trust Rose Bridge – Colleague of the Week

This week's winner is...Miss Green

For her extra assistance in preparing for the new academic year and in supporting her colleagues. This was much appreciated!
