DEAN TRUST ROSE BRIDGE

Congratulations from all at Wigan & Leigh College upon receiving your GCSE results!

We would like to offer reassurance and support at this time, however you may be feeling. Ordinarily, we would like to have been here in school to offer high quality advice and guidance, but due to our new enrolment process, our staff are required at College.

Should you be feeling unsure about anything in relation to College, we would always encourage you to come and speak with one of our experienced team and receive advice and guidance in a face to face capacity. This could be checking your grades, or asking more about the types of course available to best suit your future goals.

You should have received information regarding when to come to College to enrol, but you can again find this information on the adjacent sheet.

PLEASE NOTE – due to the current guidance regarding COVID-19, we are unable to admit any visitor who arrives outside of their allotted slot without an appointment.
