Headteacher Message

In light of the extreme hot weather which is coming our way next week we have taken the decision to postpone Sports Day which was due to take place on Tuesday (currently forecast to be 36 degrees!) Sports Day will now take place in September, with the potential for us moving the event to Robin Park - more information will follow in the new academic year.

Please ensure that next week your child comes to school with a refillable water bottle as we have multiple drinks fountains which bottles can be filled up from.

Jamboree Day on Wednesday will still go ahead as planned due to the temperatures dropping as the week goes on.

Eid al-Adha is held around the 10th to the 13th days of the Islamic month of Dhu al-Hijjah and commemorates Ibrahim's sacrifice of his son to God.

Book of the week..

Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed.

Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life.

KS3 Reading Dropdown

On Friday 8th July 2022, pupils participated in a reading dropdown where they completed a number of fun activities throughout the day.

The day started with a House VS House competition, where forms were challenged to complete a 'Big Book' quiz. The winning house was:

TURING - huge well done to Miss Birch's form who answered the most questions correctly!

Pupils then participated in a 'Royal Robbery' mystery, where they had to play detective, using their inference skills to deduce information and to solve the crime.

Finally, pupils went head to head in a Reading Race, where they competed against one another to read and complete activities, exercising their comprehension skills.

Y7 Rugby Success

The Year 7 Rugby Team won their 3 Matches at the Wigan Warriors Emerging Talent Tournament on Monday Evening at Standish High School.

The Team were fabulous and played with sportsmanship; they were amazing in supporting each other and supporting our Star of the Week, Miss Sharples, for her rugby victory!

Wigan Schools Athletics - Division 2 Champions

Social Sciences trip down memory lane

This academic year was the first year of our social sciences faculty. We wanted to take this opportunity to take a trip down memory lane to look at the fantastic things we have achieved and been able to do with our students at Dean Trust Rose Bridge.

Our Year 10 Health & Social Care students had the fantastic opportunity to visit the University of Salford. During the visit, they learnt about the different courses available, what university life would be like and embarked on a campus and accommodation tour. Students thoroughly enjoyed themselves and have expressed how they can't wait to go to university.

In May, our year 10 pupils participated in a Seminar entitled “Life as a British Sikh”, which was led by Mr Harkirat Singh, founder of the Sikh Education Service. During his session, Mr Singh talked about his experience of being a British Sikh, both in terms of his understanding of his own faith, as well as his experience of growing up in Northampton. Discussions touched on racism and discrimination, bullying, and what it means to be British.

Faculty of the Week: Social Sciences

It was great to have Naveed Hussain from Wigan Mosque in speaking to our year 9 and 10 students about Islam, creation and the environment. It was fascinating to hear about his experiences when growing up as a British Muslim in the UK and his how his faith shaped his identity and his big life choices. Students found the sessions informative and enjoyed learning about other beliefs. We look forward to inviting Mr Hussain in during the next academic year.

Y10 citizenship students from DTW and DTRB enjoyed a video call with Lord Rooker from the House of Lords. They discussed everything from fox hunting to 'party-gate'; the appropriateness of hereditary Peers and Bishops in the House of Lords to Brexit. It was a very informative and enjoyable afternoon for everyone involved.

Faculty of the Week: Social Sciences

This week as part of the DTRB Careers strategy Year 10s had an insight into a selection of industries and the world of work

On Monday, GM Higher Degree and Apprenticeships workshop was delivered to the year 10 year group. Increasingly, deciding what to do after GCSE's is a key decision for pupils. This session helped learners look at the 'pros and cons' of apprenticeship and degree pathways, how to source vacancies and make a competitive application. At DTRB we strongly believe in the importance of ensuring that our learners are provided with the most influential and up to date information regarding their futures. It was great to see our pupils really think about their options and what paths may be of interest to them.

This week our Year 10 students had the pleasure of exploring the industry of construction and the industrial market. Ainscough crane hire is a company that works nationwide. It was fantastic to see our students engaged and wanting to know more about the job roles this industry has to offer. Our students got to explore different qualifications and jobs within the sector and the pathways that you may take to do so.

School Lost Property

If you child has lost an item of clothing during this term. Please can you ask them to check the school shop before Wednesday 20th July.

If items are not claimed by this date they will be donated to the local church.

Faculty of the Week: Social Sciences

Back in May, a group of our GCSE Citizenship pupils invited some of the residents from Ambleside Bank Care Home to visit for Afternoon Tea; our students also organised a game of Bingo and provided an opportunity for the residents to talk about their lives and experiences of being in the care home.

In RE lessons Year 9 pupils celebrated cultural diversity in the UK.

Pupils made and brought in snacks and dishes for their classmates to taste, which are traditionally enjoyed by people from a variety of ethnic and cultural backgrounds who live in the UK today.

Dear Parents/Guardians

As we continue to raise the Standards and Expectations at Dean Trust Rose Bridge, we would like to take this opportunity to say a huge thank you for your continued support over the last year.

As always, we strive to ensure pupils have high aspirations and are empowered and ready to be employable in the future. With this in mind, please be reminded of our continued processes for attendance and punctuality.

Please can you text, ring or email attendance every day when your child is absent unless they have Covid, are self-isolating for another reason or have a doctor's note for a fixed term period. As of **Monday 20th June**, failure to inform the school of the reasons for your child's absence will result in your child being detained for 30 minutes after school. Until we receive authorisation the absence will be marked as unauthorised, and you may be issued with a Fixed Penalty Notice for non-attendance.

In addition, a reminder to families that pupils are not allowed to take holidays during school hours and term-time periods. Unfortunately, holidays taken during this time cannot be authorised under any circumstances. If the absence is 5 days or over (10 sessions) this matter will be reported to the Local Authority (LA), with a request that you are served with a Penalty Notice.

A Penalty Notice will require each parent to pay a penalty of £60 within 21 days or £120 after that. If you fail to pay the penalty within 28 days the Local Authority may prosecute you in the Magistrates' Court where you could face a maximum fine of £1,000 per parent.

Finally, in the case of medical or dental appointments for your child, please ensure these are made outside of school hours. If you are unable to do this because of a medical emergency etc. please can you email proof of the appointment to school in advance.

With your support, we will continue to drive up standards at Dean Trust Rose Bridge and together we will continue to improve and make progress, giving all our pupils the best life opportunities by developing hard-working and dedicated young adults with high standards and aspirations.

Many thanks for your anticipated support.

Yours sincerely

Mrs. A Worswick

Deputy Headteacher

A reminder to families that pupils are not allowed to take holidays during school hours and term-time periods. Now more than ever, it is imperative that pupils do not miss precious learning time and arrive at their form and lessons on time. We are unable to authorise any holiday during school hours.

Meetings (detentions) will be issued for any pupils who are late to school. If you drop your child off at school please ensure that they arrive before 8.38am as traffic around school, as ever, can be particularly busy.

Safer Internet Tips...

Top Tips for Parents and Carers

Have a look at the tips and links below with some suggestions on how to get you started and help you to stay safe and positive online. You and your family can #PlayYourPart in creating a better internet by...

Having conversations without judgement.

Whether by playing games, watching videos, or doing things your child enjoys, spending time together online is a great way to start conversations about the online world and how they're finding being a part of it.

It is important to ask questions and take an interest in what your child enjoys online. An essential part of having this open dialogue is to not judge, even if their behaviour or life online isn't what you wanted or expected. This ensures that your child feels they can come to you if ever they make a mistake or experience a problem online.

Knowing where you can learn more about their favourite apps and games.

Websites like Common Sense Media or The Family Gaming Database can be invaluable sources of information. When your child starts talking about a new game or app, why not do some research into the reporting and blocking options available? Then you can help your child if they come to you with an issue.

Getting support if things go wrong.

There are lots of organisations who are there to support you and your family if something has gone wrong. The [Report Harmful Content website](#) can help you with issues such as cyberbullying, impersonation and threats. You can report worrying behaviour towards children to [CEOP](#). Reassuring your child that whatever happens online, you are there to support them.

Let your child know that the best way to address any problem they have online, is to tell a trusted adult immediately. For example, this might include someone sending them a friend request; an online message; telling them to visit a specific website, or app; or asking them for their personal information. Reassure them that if anything happens online that they are unsure about, or makes them feel worried or upset, they can come to you for help.
