Employee of the week...

Mr Couch of our site staff team for awesome feedback from our neighbours and the community. Thanks Paul!

We offer free sessions and alternative activities for young people aged 8-18, with the opportunity to learn new skills and gain qualifications in a supportive and positive environment.

Dates and times for the two taster sessions are as follows;

Monday 11th July: 5-6pm (age 8-12 year olds) 6-7pm (age 13-18 year olds)

Year 11 Leavers Assembly 2017 - 2022

On Monday, we said our last goodbye to our Year 11 pupils in their final assembly of the year.

Pupils had the opportunity to complete the traditional shirt and book signing whilst saying goodbye to their staff. Breakfast, happy memories and awards were enjoyed by all!

Year 11 Prom 2022

On Thursday evening, we held our Year 11 Prom at Leigh Sports Village. This was a fantastic celebration of all the hard work that our pupils put in throughout Year 11 and their 5 years at Rose Bridge. The evening was wonderful, with all the pupils looking absolutely amazing in their suits and prom dresses.

After enjoying a three course meal and the chocolate fountain, our pupils hit the dance floor which was full throughout the remainder of the evening. Special shout out to Daniel L who won the Best Dancer Award!

Sporting Success

We were delighted to be asked to represent Wigan Warriors in the Rugby League North West Emerging Schools National 9s tournament this week. We were selected out of all the emerging school teams in the Wigan Borough to compete against other schools representing teams such as Castleford Tigers and Saint Helens. The year 7 and 8 combined girls' team competed against some very strong, established sides and did amazingly well! The girls started strong, winning their first match against a determined St Helens side and kept their heads high throughout the remainder of the competition. The girls lack of experience in the sport was boosted by their work ethic and resilience to keep fighting which resulted in some excellent play and brilliant tries scored! The girls really enjoyed the day and played some great rugby! We are looking forward to working with the Warriors team further to develop within the sport.

Word of the Week

Nefarious *adjective*

- (typically of an action or activity) wicked or criminal.

Challenge: can you write a sentence using the adjective nefarious?

Literacy Challenge - International Joke Day

On 1st July, we invite you to take some time out of your day to recognise the important job humour plays in keeping stress at bay, building relationships, and bringing levity to a world that badly needs it. International Joke Day is all about getting a grin out of your best friend, sharing a laugh on social media, and appreciating the stand up comics who have left us in stitches for decades.

Anyways, my friend asked me to stop singing "Wonderwall" to him. I said maybe...

Challenge: write your own joke!

Book of the week..

This week we return to everybody's favourite genre...horror! The book is aimed at those of you who like something scary, but not *too* scary! It's 'Unseen' by Paul Jennings.

This book presents another collection of wacky and varied short stories, stories to be read and enjoyed at a sitting. They're about a boy who is able to grow new fingers, but not always in the right places; the dead dog that isn't quite what it seems; the last request of a grandfather; a man-eating ghost; a parrot that teaches unpleasant lessons and much more.

Paul Jennings was born in Heston near London, and at the age of 6 emigrated to Melbourne, Australia on a boat. He is now a full time writer, some of whose stories have been adapted for TV.

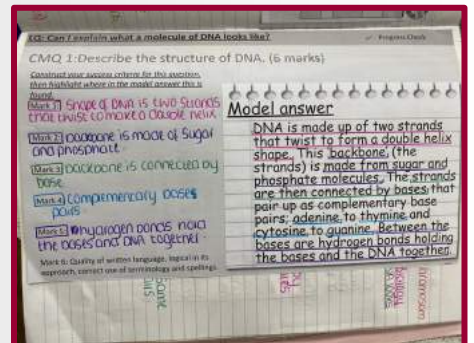

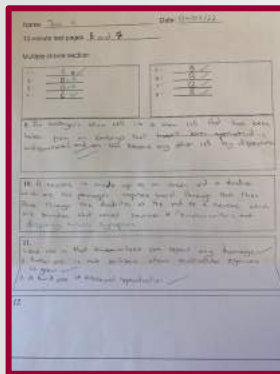

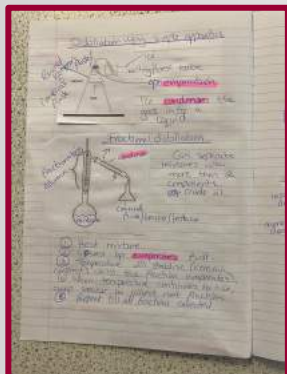

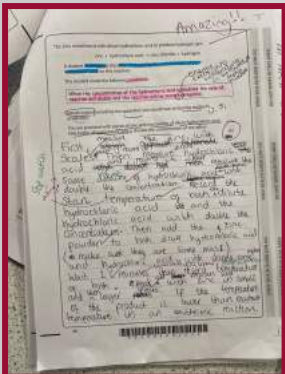

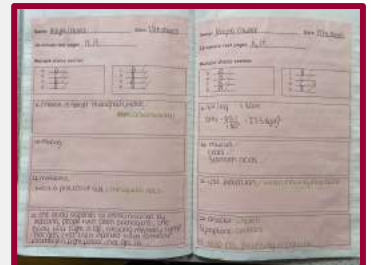

Year 11 Revision

The big focus this half term has been supporting, encouraging and steering the Year 11's through their final GCSE examinations. Teachers and students alike have worked hard to make revision materials, provide and attend online revision sessions, take part in drop down sessions during the school day and complete plenty of exam practice.

Students have attended after school sessions and completed independent revision as well as working incredibly hard in their science lessons. We have revisited core practicals, practised exam technique and made some amazing revision cards and mind maps. Students have been given revision work books which we have used weekly to practise exam questions and refine our technique.

The exams are almost over and all the students should be proud of the hard work and determination they have shown over the last half term. I'm sure their hard work will be reflected in their grades in August!

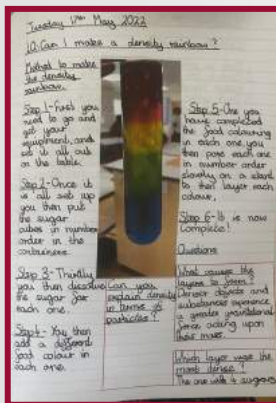

Key stage 3:

Last half term, Year 7 were looking at energy and how it transferred from one form to another.

Year 8 have been studying pressure and density in fluids. They made some lovely density rainbows using liquids with different densities.

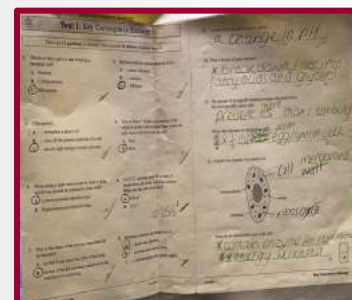

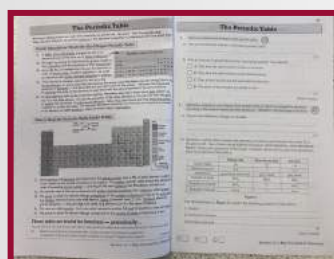

Year 9 made fossils while they were looking at rocks and weathering and started their transition courses introducing the skills needed for the GCSE course next year. All years groups are now revising for their end of year exams

Key Stage 4:

Year 10 have completed topics on acids, alkalis and waves as well as the electromagnetic spectrum, in preparation for the end of Year 10 mock exam.

We have also spent a lot of time revising using the new workbooks made by Mr. Barber to learn how to make useful revision notes and practise GCSE exam questions.

These students had the highest points on class charts in Science last half term – well done and keep it up.

Good Luck to the year 11s who have left school this week.

Numeracy Problems Of The Week

Each week the maths department select their stars of the week. Here are last week's winners.

	X1	X2	X3	Y1	Y2	Y3
Year 7	Melissa H	Sophie R	Harvey John K	Brennan H	Jaxon S	Ryan B
Year 8	Akila S	Sophie S	Rewan A	Amy M	Lexi P	Chloe M
Year 9	Skye B	Zoe M	Olivia R	Olivia F/Henry T	Sadie R	Brandon H
Year 10	Regina R	Kira T	Diane D	Nali Y	Connor D	Ben C

Can you solve the numeracy problems of the week?

'Easy'

The year 2004 has the units digit equal to twice the thousands digit. How many years will it be before this next happens?

- A 10 B 36 C 220 D 1002 E 2004

'Hard'

Peri the winkle leaves on Monday to go and visit Granny, 90m away. Except for rest days, Peri travels 1m each day (24-hour period) at a constant rate and without pause. However, Peri stops for a 24-hour rest every tenth day, that is, after every nine days' travelling. On which day of the week does Peri arrive at Granny's?

- A Sunday B Monday C Tuesday D Wednesday E Thursday

The answers to last week's problems are below:

'Easy'

E The number of laps is $5000 \div 400 = 50 \div 4 = 12\frac{1}{2}$.

'Hard'

E $\bullet = \blacksquare + \blacktriangle = \blacktriangle + \blacktriangle + \blacktriangle = 3\blacktriangle$. Therefore $\blacklozenge = \bullet + \blacksquare + \blacktriangle = 3\blacktriangle + 2\blacktriangle + \blacktriangle = 6\blacktriangle$.

Dean Trust Active Challenge

Our very own Mr Volante organises the Dean Trust Active Challenge, which is an annual event across all of the Trust primary and secondary schools.

The pupils involved will get the chance to complete either a 2k or 5k fun run within the beautiful grounds of the Knowsley Hall Estate on the outskirts of Liverpool. Dean Trust Rose Bridge have set a target of taking 100 of our pupils to compete.

There are a small number of places left, so please see Mr Volante if you would also like to join in the fun.

Dear Parents/Guardians

As we continue to raise the Standards and Expectations at Dean Trust Rose Bridge, we would like to take this opportunity to say a huge thank you for your continued support over the last year.

As always, we strive to ensure pupils have high aspirations and are empowered and ready to be employable in the future. With this in mind, please be reminded of our continued processes for attendance and punctuality.

Please can you text, ring or email attendance every day when your child is absent unless they have Covid, are self-isolating for another reason or have a doctor's note for a fixed term period. As of **Monday 20th June**, failure to inform the school of the reasons for your child's absence will result in your child being detained for 30 minutes after school. Until we receive authorisation the absence will be marked as unauthorised, and you may be issued with a Fixed Penalty Notice for non-attendance.

In addition, a reminder to families that pupils are not allowed to take holidays during school hours and term-time periods. Unfortunately, holidays taken during this time cannot be authorised under any circumstances. If the absence is 5 days or over (10 sessions) this matter will be reported to the Local Authority (LA), with a request that you are served with a Penalty Notice.

A Penalty Notice will require each parent to pay a penalty of £60 within 21 days or £120 after that. If you fail to pay the penalty within 28 days the Local Authority may prosecute you in the Magistrates' Court where you could face a maximum fine of £1,000 per parent.

Finally, in the case of medical or dental appointments for your child, please ensure these are made outside of school hours. If you are unable to do this because of a medical emergency etc. please can you email proof of the appointment to school in advance.

With your support, we will continue to drive up standards at Dean Trust Rose Bridge and together we will continue to improve and make progress, giving all our pupils the best life opportunities by developing hard-working and dedicated young adults with high standards and aspirations.

Many thanks for your anticipated support.

Yours sincerely

Mrs. A Worswick

Deputy Headteacher

Please can you text, ring or email attendance every day when your child is absent unless they have Covid, are self-isolating for another reason or have a doctors note for a fixed term period. For safeguarding reasons we need to have daily contact on school days if your child is not in school.

As of Monday 20th June failure to inform the school of the reasons for your child's absence will result in your child being detained 30 minutes after school. Until we receive authorisation the absence will be marked as unauthorised, and you may be issued with a Fixed Penalty Notice for non-attendance. The Attendance Team can be emailed directly on :
DTRBAttendance@deantrustrosebridge.co.uk

Covid advice please ring 119, school staff are unable to advise on Covid related matters.

If you are unable to source Covid tests please call in at school reception as we have a limited supply.

Sickness and Stomach Bugs – we do not have a minimum that children need to be off school for if they are unwell in this way.

Please make appointments for your child outside of school hours, if you are unable to do this because of a medical emergency etc please can you email proof of the appointment to school in advance.

A reminder to families that pupils are not allowed to take holidays during school hours and term-time periods. Now more than ever, it is imperative that pupils do not miss precious learning time and arrive at their form and lessons on time. We are unable to authorise any holiday during school hours.

Meetings (detentions) will be issued for any pupils who are late to school. If you drop your child off at school please ensure that they arrive before 8.38am as traffic around school, as ever, can be particularly busy.

If you have any concerns with your child's attendance to school or you are struggling to maintain their positive attendance, please get in touch – we have a fantastic team of staff here in school who have supported many children in overcoming any issues or school anxieties.

Safer Internet Tips...

Top Tips for Parents and Carers

Have a look at the tips and links below with some suggestions on how to get you started and help you to stay safe and positive online. You and your family can #PlayYourPart in creating a better internet by...

Having conversations without judgement.

Whether by playing games, watching videos, or doing things your child enjoys, spending time together online is a great way to start conversations about the online world and how they're finding being a part of it.

It is important to ask questions and take an interest in what your child enjoys online. An essential part of having this open dialogue is to not judge, even if their behaviour or life online isn't what you wanted or expected. This ensures that your child feels they can come to you if ever they make a mistake or experience a problem online.

Knowing where you can learn more about their favourite apps and games.

Websites like Common Sense Media or The Family Gaming Database can be invaluable sources of information. When your child starts talking about a new game or app, why not do some research into the reporting and blocking options available? Then you can help your child if they come to you with an issue.

Getting support if things go wrong.

There are lots of organisations who are there to support you and your family if something has gone wrong. The [Report Harmful Content website](#) can help you with issues such as cyberbullying, impersonation and threats. You can report worrying behaviour towards children to [CEOP](#). Find out more on [Children's Get Help page](#).

Reassuring your child that whatever happens online, you are there to support them.

Let your child know that the best way to address any problem they have online, is to tell a trusted adult immediately. For example, this might include someone sending them a friend request; an online message; telling them to visit a specific website, or app; or asking them for their personal information. Reassure them that if anything happens online that they are unsure about, or makes them feel worried or upset, they can come to you for help.
