Headteacher Message

As ever we have had a really busy week here at Dean Trust Rose Bridge. We have launched this week our 'Achieve and Succeed' award where all pupils are invited to show a piece of work they are most proud of to Mrs Gibbard. Well done to our first winner, Leah, who features in today's newsletter.

Year 11 have all been issued this week with their mock examination timetable - mocks begin on Monday 14th November and will last for two weeks. It is absolutely vital that all of Year 11 attend in full for this fortnight. Please support us by ensuring that your child attends and that they are revising at night when they come home. Academic enrichment runs every night in school for all subjects that pupils are examined in from 3-4pm.

Bank cards

A teen bank account is very similar to a child account. One of the main differences is that, from 16, you'll be able to open an account by yourself. If you're under 16, you'll need a parent or guardian with you to open an account.

Research what type of bank accounts and bank cards you can get now.

3. Why is displaying admiration important? Explain your response clearly.

CMQ: In your response to question three, can you include the synonyms you previously provided?

- What do you admire about this person?
- How do you show them your admiration?
- Why are they the person you admire the most?

BOOK OF THE WEEK: Life of Pi

A super-challenging novel this week, aimed primarily at our older readers. It's the 2002 Booker Prize winner, '**Life of Pi**', by **Yann Martel**. The genre is magical realism, so don't expect everything to be as it seems in this book!

The protagonist, Piscine Molitor "Pi" Patel, a Tamil boy from Pondicherry, explores issues of spirituality and practicality from an early age. He survives 227 days after a shipwreck while stranded on a boat in the Pacific Ocean with a Bengal tiger named Richard Parker.

SCHOOL PARKING

It has been lovely to see so many parents and carers at the beginning and end of the school day transporting our pupils to and from school. We do appreciate parking is limited, but can we politely ask that we support our lovely neighbours who live on Georges Lane by not parking on there. It is a private road that is looked after by the residents. Your support on this matter would greatly appreciated. You have been amazing at keeping the front of school clear and safe for our pupils. Thank you for helping to keep our students safe.

How does it work?

Please can parents be aware that medical appointments should, wherever physically possible, not take place during school hours. They should be arranged for before or after school. The attendance office should be notified via phone when this is not possible.

It is also essential that parents of absent pupils should call school to notify us of reasons **before 9am**. After this time, communications regarding absence will primarily go home **via email**. Parents who have downloaded the MCAS app, will also get a notification there. If you think you need to update your details to accommodate this, please get in touch.

As always, excellent attendance at school is the only sure-fire way to guarantee excellent success for our pupils. Don't forget about our Going for Gold reward scheme which concludes in the summer with a fantastic reward trip for pupils!

'You cannot climb the ladder of success dressed in the costume of failure'

At Dean Trust Rose Bridge, we believe that the standards of personal appearance are reflected in the attitudes of our pupils. By dressing to a high standard, it has been shown that our standards of work, and subsequent outcomes, improve over time. Please support the school by ensuring that your child adheres to the school's high standards of uniform and appearance. Each day staff will check that pupils are dressed in accordance with the above expectations.

Banned items should not be brought into school. Banned items will be confiscated by staff. Please refer to our Standards and Expectations poster for clarity on banned items.

Mobile phones: Any pupil found with their mobile phone during the school day will have this item confiscated. Confiscated phones will not be returned to a pupil under any circumstances. It is the parent/carers responsibility to collect the device from school at a mutually agreed time.

If pupils need to bring a mobile phone to school to ensure their safety when travelling, they must be handed in at the start of the day, before entering the building.

Sanctions will be applied to any pupil who fails to meet the school's standards and expectations.

With your support, we will continue to improve the standards at Dean Trust Rose Bridge School. Together, we will continue to make progress, giving all our pupils the best life opportunities by developing hard-working and dedicated young adults with high standards and aspirations.

Safer Internet Tips...

Top Tips for Parents and Carers

Have a look at the tips and links below with some suggestions on how to get you started and help you to stay safe and positive online. You and your family can #PlayYourPart in creating a better internet by...

Having conversations without judgement.

Whether by playing games, watching videos, or doing things your child enjoys, spending time together online is a great way to start conversations about the online world and how they're finding being a part of it.

It is important to ask questions and take an interest in what your child enjoys online. An essential part of having this open dialogue is to not judge, even if their behaviour or life online isn't what you wanted or expected. This ensures that your child feels they can come to you if ever they make a mistake or experience a problem online.

Knowing where you can learn more about their favourite apps and games.

Websites like Common Sense Media or The Family Gaming Database can be invaluable sources of information. When your child starts talking about a new game or app, why not do some research into the reporting and blocking options available? Then you can help your child if they come to you with an issue.

Getting support if things go wrong.

There are lots of organisations who are there to support you and your family if something has gone wrong. The [Report Harmful Content website](#) can help you with issues such as cyberbullying, impersonation and threats. You can report worrying behaviour towards children to [CEOP](#). Find out more on [Children's Get Help page](#).

Reassuring your child that whatever happens online, you are there to support them.

Let your child know that the best way to address any problem they have online, is to tell a trusted adult immediately. For example, this might include someone sending them a friend request; an online message; telling them to visit a specific website, or app; or asking them for their personal information. Reassure them that if anything happens online that they are unsure about, or makes them feel worried or upset, they can come to you for help.
