Headteacher Message

We have launched our Half Term Three programme of enrichment and extracurricular activities, clubs are now available for pupils in every department in school. We have consulted with our Pupil Parliament Committees and as a result of their feedback are now offering extra clubs in areas that pupils said they wanted, dodgeball being one of these. Our new displays within school will signpost pupils to everything going on. We are very excited that next week sees the return of the Duke of Edinburgh Award, please see Mr Shepherd for more details on how to get involved in this. Next week too sees the very first meeting of the brand new Dean Trust Rose Bridge PTA - a Google form has gone out on MCAS if you would like to be part of this.

NUMERACY CHALLENGE

Take the New Year money saving challenge.

It's easy to want to save money, but actually doing it is a lot harder.

Here are some helpful tips on how you could save up your money to spend on something you really want or a holiday you want to go on!

- Set a **limit per week** on how much you will spend and **DON'T** go over it!
- Start a regular **budget** of what you **NEED** to spend money on
- Go through all your old clothes/toys/computer games and **sell** them at a jumble sale or ask your parents to sell them on EBAY
- Do regular **chores** around the house or your local community (dog walking/babysitting)

LITERACY CHALLENGE

Word of the week: **Ameliorate (verb)**

= to make something better or more tolerable.

1. Can you provide three synonyms for the word ameliorate?
2. Can you add a suffix to the word ameliorate in order to change its form?
3. Can you use the word ameliorate in three sentences?

Literacy focus CMQ: For question three, can you respond with three different sentence types?

Extension Task: Think about a time when you were required to ameliorate a situation. Write a paragraph that describes your actions during this time. Use the following questions to help you:

- What did you do?
- How did you do it?
- Why was it important that you did it?

Remember that Literacy Council meeting will now take place during Thursday lunch. If you would like to join, please see Mr Morton in En6!

BOOK OF THE WEEK: WE WERE LIARS

This week's book is recommended, on the 'Good Reads' website, for people who enjoy the novels of Colleen Hoover and Karen McManus and as these are two of the most loved authors by our older pupils, it is definitely worth a look! The book is '**We were Liars**' by **E. Lockhart**.

A beautiful and distinguished family.

A private island.

A brilliant, damaged girl; a passionate, political boy.

A group of four friends—the Liars—whose friendship turns destructive.

A revolution. An accident. A secret.

Lies upon lies.

True love.

The truth.

We Were Liars is a modern, sophisticated suspense novel from *New York Times* bestselling author, E. Lockhart.

Read it. And if anyone asks you how it ends, just LIE.

How does it work?

Please can parents be aware that medical appointments should, wherever physically possible, not take place during school hours. They should be arranged for before or after school. The attendance office should be notified via phone when this is not possible.

It is also essential that parents of absent pupils should call school to notify us of reasons **before 9am**. After this time, communications regarding absence will primarily go home **via email**. Parents who have downloaded the MCAS app, will also get a notification there. If you think you need to update your details to accommodate this, please get in touch.

As always, excellent attendance at school is the only sure-fire way to guarantee excellent success for our pupils. Don't forget about our Going for Gold reward scheme which concludes in the summer with a fantastic reward trip for pupils!

Safer Internet Tips...

Top Tips for Parents and Carers

Have a look at the tips and links below with some suggestions on how to get you started and help you to stay safe and positive online. You and your family can #PlayYourPart in creating a better internet by...

Having conversations without judgement.

Whether by playing games, watching videos, or doing things your child enjoys, spending time together online is a great way to start conversations about the online world and how they're finding being a part of it.

It is important to ask questions and take an interest in what your child enjoys online. An essential part of having this open dialogue is to not judge, even if their behaviour or life online isn't what you wanted or expected. This ensures that your child feels they can come to you if ever they make a mistake or experience a problem online.

Knowing where you can learn more about their favourite apps and games.

Websites like Common Sense Media or The Family Gaming Database can be invaluable sources of information. When your child starts talking about a new game or app, why not do some research into the reporting and blocking options available? Then you can help your child if they come to you with an issue.

Getting support if things go wrong.

There are lots of organisations who are there to support you and your family if something has gone wrong. The [Report Harmful Content website](#) can help you with issues such as cyberbullying, impersonation and threats. You can report worrying behaviour towards children to [CEOP](#). Find out more on [Children's Get Help page](#).

Reassuring your child that whatever happens online, you are there to support them.

Let your child know that the best way to address any problem they have online, is to tell a trusted adult immediately. For example, this might include someone sending them a friend request; an online message; telling them to visit a specific website, or app; or asking them for their personal information. Reassure them that if anything happens online that they are unsure about, or makes them feel worried or upset, they can come to you for help.
