

National Apprenticeship Week 6th -10th February

During the week pupils at Dean Trust Rose Bridge have been involved in a range of activities to develop understanding of what Apprenticeships are.

Pupils were informed about the range of Apprenticeships available and how they can find out more if this is a route they would like to take once they leave school.

Ask Apprenticeship Year 11 Virtual Assembly

Go Further Mentoring

This is the first of four sessions for pupils in Year 10. The workshops are delivered in partnership with GM Higher. As part of these workshops pupils are involved in a bespoke mentoring group delivered by a student ambassador from University. The workshop covers areas such as;

- ✓ Options after Year 11
- ✓ Types of courses and places you can study
- ✓ Revision techniques
- ✓ Funding HE
- ✓ What it's like to be a student at college or University
