Headteacher Message

It was pleasure this week to welcome our new Year 6 pupils to DTRB for two days of Transition. We are absolutely delighted that 150 pupils are expected to come to us in Year 7 which is the maximum number we can take. One of our key targets four years ago when we became part of The Dean Trust was that we became the school of choice for the local community. In September Years 7-9 will all be full which shows we are well on our way to achieving this target.

Dean Trust Active Challenge @ Knowsley Hall

We are delighted to report that Dean Trust Rose Bridge pupils gave an excellent account of themselves at this year's Active Challenge event several weeks ago. The annual event takes place in the beautiful grounds of the Lord Derby Estate in Huyton, Merseyside, and provides pupils with an excellent enrichment opportunity to either complete a 2k or 4k race against their Trust-wide counterparts.

BOOK OF THE WEEK: Ghost Boys

This week's book is another by **Jewell Parker Rhodes**, who wrote 'The Hate You Give', which has been really popular book in our library this year. This book explores similar themes and is called '**Ghost Boys**'.

Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing.

Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions.

LOST PROPERTY

Experiences away from home

National Citizen Service (NCS) helps 15-17 year olds build skills for work and life by taking part in new challenges and meeting new people, gaining confidence and independence along the way.

"When my son came back he had just blossomed, his confidence had grown so much it was incredible. I would highly encourage parents to get their teens on NCS, it teaches them to have conversations they wouldn't normally have the confidence for". Parent

NCS away from home experiences are available across the country. Each experience is five days and four nights, and includes a variety of activities centred around one of three themes: Live It, Boss It, or Change It.

The experiences will help boost your young person's CV and college or university applications - highlighting the broader range of skills they've gained to employers and higher education providers.

Places are limited!
Visit our website to secure a place today.

WEARENCS.COM

About the experiences

Young people have a choice of three themes for their away from home experience, depending on their interests and passions. They'll get to choose the theme during the sign-up process.

"My daughter has made some new lifelong friends and the experience she's had has really built her confidence...all of the activities were brilliant and taught my daughter skills for life!" Parent

LIVE IT

This adventure gives young people the life hacks they didn't know they needed, teaches survival skills, and tests limits with adrenaline-filled outdoor activities.

BOSS IT

This experience takes place at university accommodation, and is for young people keen to enter the world of work or start their own business. It gives tools, know-how, and inspiration needed to take control and be successful.

CHANGE IT

This experience gives young people the chance to change their community, or even the world, for the better. They'll explore the issues facing society today, discover their purpose, and turn passions into projects that make a difference.

About the experiences

WHEN IS IT?

All three themes are available throughout school holidays, simply choose your preferred dates during the sign-up process.

HOW MUCH DOES IT COST?

NCS is a government funded programme, which means the costs of the experience are heavily subsidised. To take part in NCS, all we ask for is a contribution of £95 per young person. This includes all travel costs, accommodation, activities and food - whole five-day trip for £95!

Depending on your circumstances (e.g. if your young person receives free school meals or the pupil premium), you could be entitled to a bursary which would mean the experience is free - you don't have to pay anything. Get in touch for more information.

IS NCS INCLUSIVE FOR PEOPLE WITH SPECIAL EDUCATIONAL NEEDS OR DISABILITIES?

NCS is for everyone. When your young person signs up to NCS, you will have the opportunity to let us know about their specific needs, including any medical conditions, special educational needs, or disabilities. We will then contact you to develop a care plan so that we can make necessary reasonable adjustments to ensure they can take part. NCS is also available up to the age of 25 for those young people with SEND.

REFUNDS

We offer a 14-day cool off period for you to apply for a refund if you change your mind.

In the unlikely event of NCS being cancelled, you will be offered a full refund.

The sign-up process

1. REGISTER AND BOOK A PLACE

You or your young person register on the NCS website and choose their preferred theme. Complete the details, make your payment and you're done!

- Call the team if you would like to find out more about a bursary.

2. IMPORTANT FORMS

Once signed up, your young person will receive information to login to their NCS portal.

- You will need to help them complete their Joiner Form.
- This is also the time to let us know any specific requirements for your young person (including dietary, religious, or anything else).

3. PARENT INFORMATION SESSIONS

You will then have the opportunity to attend a parent and guardian information session to learn more and ask questions.

4. WELCOME PACK

Before their away from home experience, your young person will be sent a Welcome Pack with all the information they need to know about their experience, including pick-up locations and what to bring.

Safety & Supervision

Frequently Asked Questions (FAQs)

Your young person's safety and wellbeing is our top priority.

NCS away from home experiences are delivered on behalf of the National Citizen Service Trust, a Royal Charter body, by Ingeus and Youth Hostels Association (England & Wales) (YHA). Ingeus has provided NCS experiences to over 130,000 young people since 2011.

All experiences follow comprehensive policies and procedures, NCS staff are fully trained, and we are fully insured. All staff undergo the following checks and training:

- Enhanced DBS (Disclosure and Barring Service) checks
- First Aid (certified)
- Safeguarding
- Equality & Diversity.

Can I speak to someone before signing up?

Yes, you can talk to a member of our team Monday to Friday from 10am - 5pm and Saturday from 10am - 2pm by calling 0800 197 8010.

What are the benefits of doing NCS?

Young people will get the chance to meet new people, expand their horizons, learn new skills, and build their confidence. They will have the opportunity to take part in a range of activities, gaining valuable skills to take into their future to make a positive difference for themselves and their community. NCS also looks great on CVs and education applications!

My young person has additional needs, can they still take part?

NCS is open to everyone. During the sign-up process, you have the opportunity to tell us about any additional needs, and then we will work with you to create a tailored care plan for your young person.

Is there help towards the cost of NCS?

If you need help paying for NCS, you can apply for a bursary. Give us a call on 0800 197 8010 before you sign-up.

Do young people have to do NCS?

While NCS is not compulsory, it is a unique and exciting opportunity that is only available to 15-17 year olds. If they are 15, they must turn 16 by 31st August 2023 to be eligible.

Does my young person need to take money on NCS?

Extra money is not needed, but if you want to give your young person extra money to take for shop/vending machines then you may wish to do so.

How will you make sure my young person is safe while on NCS?

Each programme and each activity is risk assessed to ensure their safety. Our team are fully qualified and trained, and every young person is given a code of conduct to follow to ensure the safety of others.

Can my young person do NCS with their friends?

Yes, they'll just need to make sure they all sign-up to the same theme, the same departure date and travel hubs. Places are limited so it's best for groups of friends to book at the same time to avoid disappointment.

Where will my young person be going?

NCS away from home experiences are available at sites across the country. During the sign-up process, you and your young person will choose the type of experience and the preferred travel hub for pick-ups and drop-offs. After that, we will confirm in the Welcome Pack the full address of the venue where they will stay for their NCS experience.

Will my young person be forced to do all the activities?

We will never force anyone to do something they don't want to do. We will be there to encourage them to face their fears and be confident to tackle new things.

What is included in the cost of NCS?

All food, accommodation, and travel is provided during the programme and included in the cost. At all times, your young person brings some lunch with them for the first day.

Can I contact my young person while they are away?

Absolutely! Your young person might not have their phone with them during the day due to the nature of some activities, but there will be lots of opportunities to contact them and you will also be given an emergency contact number for our team.

Why do I have to fill out my details?

This is to secure a place on an NCS programme, and to make sure your young person has your permission to attend. If you start but don't complete the sign-up process, our team may give you a call to see if we can help answer any questions.

Can my young person take their mobile phone?

Yes, we just ask that they use it responsibly and not when they're participating in activities. Charging points may be limited so we recommend bringing a battery pack.

SAFEGUARDING

Safeguarding relates to action taken to promote the welfare of children and protect them from harm. As an organisation that works with people of all ages and backgrounds, we are committed to acting in the best interests of children and vulnerable people, ensuring that all reasonable steps are taken to prevent them from harm.

ATTENDANCE MATTERS

How does it work?

DEAN TRUST Rose Bridge

Please can we remind all parents that reply slips giving consent for children to attend the trip were due last week so these should be brought into school as soon as possible. Final payments must be made by the end of this week.

Please can parents be aware that medical appointments should, wherever physically possible, not take place during school hours. They should be arranged for before or after school. The attendance office should be notified via phone when this is not possible.

It is also essential that parents of absent pupils should call school to notify us of reasons **before 9am**. After this time, communications regarding absence will primarily go home **via email**. Parents who have downloaded the MCAS app, will also get a notification there. If you think you need to update your details to accommodate this, please get in touch.

As always, excellent attendance at school is the only sure-fire way to guarantee excellent success for our pupils. Don't forget about our Going for Gold reward scheme which concludes in the summer with a fantastic reward trip for pupils!

Safer Internet Tips...

Top Tips for Parents and Carers

Have a look at the tips and links below with some suggestions on how to get you started and help you to stay safe and positive online. You and your family can #PlayYourPart in creating a better internet by...

Having conversations without judgement.

Whether by playing games, watching videos, or doing things your child enjoys, spending time together online is a great way to start conversations about the online world and how they're finding being a part of it.

It is important to ask questions and take an interest in what your child enjoys online. An essential part of having this open dialogue is to not judge, even if their behaviour or life online isn't what you wanted or expected. This ensures that your child feels they can come to you if ever they make a mistake or experience a problem online.

Knowing where you can learn more about their favourite apps and games.

Websites like Common Sense Media or The Family Gaming Database can be invaluable sources of information. When your child starts talking about a new game or app, why not do some research into the reporting and blocking options available? Then you can help your child if they come to you with an issue.

Getting support if things go wrong.

There are lots of organisations who are there to support you and your family if something has gone wrong. The [Report Harmful Content website](#) can help you with issues such as cyberbullying, impersonation and threats. You can report worrying behaviour towards children to [CEOP](#). Find out more on [Children's Get Help page](#).

Reassuring your child that whatever happens online, you are there to support them.

Let your child know that the best way to address any problem they have online, is to tell a trusted adult immediately. For example, this might include someone sending them a friend request; an online message; telling them to visit a specific website, or app; or asking them for their personal information. Reassure them that if anything happens online that they are unsure about, or makes them feel worried or upset, they can come to you for help.
