Headteacher Message

This week has been one of the busiest all year - Monday we took over 400 pupils to Blackpool Pleasure Beach where the sun came out after leaving thunderstorms back in Wigan. Wednesday we had our first Sports Day since 2019, held at Leigh Sports Village who kindly loaned it to us for the day. The pupils were impeccable and staff there commented on how well behaved and involved in the day they were. Yesterday we rounded off with our annual Jamboree Day extravaganza.

I would like to take the opportunity to wish all of our pupils, parents and carers a restful and safe summer holiday. Information regarding returning to school in September has been sent out via MCAS to all parents.

Head of School

BLACKPOOL PLEASURE BEACH TRIP

Our trip to Blackpool this week was a great success. Pupils who met our high standards in behaviour, attendance and punctuality were rewarded with an adrenaline filled day out and all behaved impeccably! Even the teachers! Well done everyone on such a fantastic year!

FACULTY OF THE WEEK: SOCIAL SCIENCES

Introducing Miss Ashurst

I am Miss Ashurst and I am excited to be joining Dean Trust Rose Bridge as the Head of RE and Citizenship. I have been fortunate to start before September and been able to meet the fantastic team and students already at school. This has also given me the opportunity to take part in all of the amazing activities planned for the end of term. There is a great family atmosphere in school and I have been made to feel exceptionally welcome by all. I am looking forward to seeing what great things are to come in September. In religious education year 7 will be starting with the module of the importance of belief, year 8 will be looking at religious buildings and year 9 will be starting off the year with religious and world views about the afterlife. I am also looking forward to taking on the role of form teacher and starting with a new year 7 form which I can carry through school and watch them grow to their full potential throughout their time at Dean Trust Rose Bridge.

FACULTY OF THE WEEK: SOCIAL SCIENCES

Celebrating Social Sciences

This year social sciences have been able to experience and provide out pupils with some fantastic experiences. It has been a thoroughly enjoyable year and we are looking forward to building on this next year. Below are just a few examples of some of the exciting stuff that has taken place.

Our fantastic anti bullying ambassadors arranged and conducted a anti bullying workshop with some of our Year 8.

Our first year of teaching our co produced Sean Trust curriculum for Religious Education and Personal Development.

Citizenship pupils conducting their Citizenship Action projects.

Our cultural capital opportunities such as the House of Parliament trip for our citizenship students.

PREFECT TEAM 2023-24

MATHS CHALLENGE

Last week's problem

The t-shirt would have cost £100 before the sale, not £99!

This week's problem

I have 3 four-sided dice with one letter on each side.

When I roll them together I get three random letters which I try to rearrange into a word. The words I have so far are:

CAT, SON, POD, RIG, PEG, TAP, DIN, APE

What are the letters on each side of the dice?

Franklin take Half Term 6

A huge well done to Mr Barber and Frankllin house who have taken their first ever house victory this half term. A drive in attendance in Frankllin house has seen them climb to the top of the leaderboard. Unfortunately it wasnt enough to knock Sanderson House off the the top spot this year, who have taken the overall victory for the year. This was only achieved by their amazing performance during sprots day.

Experiences away from home

National Citizen Service (NCS) helps 15-17 year olds build skills for work and life by taking part in new challenges and meeting new people, gaining confidence and independence along the way.

"When my son came back he had just blossomed, his confidence had grown so much it was incredible. I would highly encourage parents to get their teens on NCS, it teaches them to have conversations they wouldn't normally have the confidence for". Parent

NCS away from home experiences are available across the country. Each experience is five days and four nights, and includes a variety of activities centred around one of three themes: Live It, Boss It, or Change It.

The experiences will help boost your young person's CV and college or university applications - highlighting the broader range of skills they've gained to employers and higher education providers.

Places are limited!
Visit our website to secure a place today.

WEARENCS.COM

About the experiences

Young people have a choice of three themes for their away from home experience, depending on their interests and passions. They'll get to choose the theme during the sign-up process.

"My daughter has made some new lifelong friends and the experience she's had has really built her confidence...all of the activities were brilliant and taught my daughter skills for life!" Parent

LIVE IT

This adventure gives young people the life hacks they didn't know they needed, teaches survival skills, and tests limits with adrenaline-filled outdoor activities.

BOSS IT

This experience takes place at university accommodation, and is for young people keen to enter the world of work or start their own business. It gives tools, know-how, and inspiration needed to take control and be successful.

CHANGE IT

This experience gives young people the chance to change their community, or even the world, for the better. They'll explore the issues facing society today, discover their purpose, and turn passions into projects that make a difference.

The sign-up process

WHEN IS IT?

All three themes are available throughout school holidays, simply choose your preferred dates during the sign-up process.

HOW MUCH DOES IT COST?

NCS is a government funded programme, which means the costs of the experience are heavily subsidised. To take part in NCS, all we ask for is a contribution of £95 per young person. This includes all travel costs, accommodation, activities and food – whole five-day trip for £95!

Depending on your circumstances (e.g. if your young person receives free school meals or the pupil premium), you could be entitled to a bursary which would mean the experience is free – you don't have to pay anything. Get in touch for more information.

IS NCS INCLUSIVE FOR PEOPLE WITH SPECIAL EDUCATIONAL NEEDS OR DISABILITIES?

NCS is for everyone. When your young person signs up to NCS, you will have the opportunity to let us know about their specific needs, including any medical conditions, special educational needs, or disabilities. We will then contact you to develop a care plan so that we can make necessary reasonable adjustments to ensure they can take part. NCS is also available up to the age of 25 for those young people with SEND.

REFUNDS

We offer a 14-day cool off period for you to apply for a refund if you change your mind.

In the unlikely event of NCS being cancelled, you will be offered a full refund.

1. REGISTER AND BOOK A PLACE

You or your young person register on the NCS website and choose their preferred theme. Complete the details, make your payment and you're done!

- Call the team if you would like to find out more about a bursary.

2. IMPORTANT FORMS

Once signed up, your young person will receive information to login to their NCS portal.

- You will need to help them complete their Joiner Form.
- This is also the time to let us know any specific requirements for your young person (including dietary, religious, or anything else).

3. PARENT INFORMATION SESSIONS

You will then have the opportunity to attend a parent and guardian information session to learn more and ask questions.

4. WELCOME PACK

Before their away from home experience, your young person will be sent a Welcome Pack with all the information they need to know about their experience, including pick-up locations and what to bring.

Safety & Supervision

Your young person's safety and wellbeing is our top priority.

NCS away from home experiences are delivered on behalf of the National Citizen Service Trust, a Royal Charter body, by Ingeus and Youth Hostels Association (England & Wales) (YHA). Ingeus has provided NCS experiences to over 130,000 young people since 2011.

All experiences follow comprehensive policies and procedures, NCS staff are fully trained, and we are fully insured. All staff undergo the following checks and training:

- Enhanced DBS (Disclosure and Barring Service) checks
- First Aid (certified)
- Safeguarding
- Equality & Diversity.

SAFEGUARDING

Safeguarding relates to action taken to promote the welfare of children and protect them from harm. As an organisation that works with people of all ages and backgrounds, we are committed to acting in the best interests of children and vulnerable people, ensuring that all reasonable steps are taken to prevent them from harm.

Frequently Asked Questions (FAQs)

Can I speak to someone before signing up?

Yes, you can talk to a member of our team Monday to Friday from 12pm - 8pm, and Saturday 10am - 2pm, by calling 0800 197 8010.

What are the benefits of doing NCS?

Young people will get the chance to meet new people, expand their horizons, learn new skills, and build their confidence. They will have the opportunity to take part in a range of activities, gaining valuable skills to take into their future to make a positive difference for themselves and their community. NCS also looks great on CVs and education applications!

My young person has additional needs, can they still take part?

NCS is open to everyone. During the sign-up process, you have the opportunity to tell us about any additional needs, and then we will work with you to create a tailored care plan for your young person.

Is there help towards the cost of NCS?

If you need help paying for NCS, you can apply for a bursary. Give us a call on 0800 197 8010 before you sign-up.

Do young people have to do NCS?

While NCS is not compulsory, it is a unique and exciting opportunity that is only available to 15-17 year olds (if they are 15, they must turn 16 by 31st August 2023 to be eligible).

Does my young person need to take money on NCS?

Extra money is not needed, but if you want to give your young person extra money to take for shops/vending machines then you may wish to do so.

How will you make sure my young person is safe while on NCS?

Each programme and each activity is risk assessed to ensure their safety. Our team are fully qualified and trained, and every young person is given a code of conduct to follow to ensure the safety of others.

Can my young person do NCS with their friends?

Yes, they'll just need to make sure they all sign-up to the same theme, the same departure date and travel hub. Places are limited so it's best for groups of friends to book at the same time to avoid disappointment.

Where will my young person be going?

NCS away from home experiences are available at sites across the country. During the sign-up process, you and your young person will choose the type of experience and the preferred travel hub for pick-ups and drop-offs. After that, we will confirm in the Welcome Pack the full address of the venue where they will stay for their NCS experience.

Will my young person be forced to do all the activities?

We will never force anyone to do something they don't want to do. We will be there to encourage them to face their fears and be confident to tackle new things.

What is included in the cost of NCS?

All food, accommodation, and travel is provided during the programme and included in the cost. All we ask is that your young person brings some lunch with them for the first day.

Can I contact my young person while they are away?

Absolutely! Your young person might not have their phone with them during the day due to the nature of some activities, but there will be lots of opportunities to contact them and you will also be given an emergency contact number for our team.

Why do I have to fill out my details?

This is to secure a place on an NCS programme, and to make sure your young person has your permission to attend. If you start but don't complete the sign-up process, our team may give you a call to see if we can help answer any questions.

Can my young person take their mobile phone?

Yes, we just ask that they use it moderately and not when they're participating in activities. Charging points may be limited so we recommend bringing a battery pack.

ATTENDANCE MATTERS

How does it work?

DEAN TRUST Rose Bridge

Please can we remind all parents that reply slips giving consent for children to attend the trip were due last week so these should be brought into school as soon as possible. Final payments must be made by the end of this week.

Please can parents be aware that medical appointments should, wherever physically possible, not take place during school hours. They should be arranged for before or after school. The attendance office should be notified via phone when this is not possible.

It is also essential that parents of absent pupils should call school to notify us of reasons **before 9am**. After this time, communications regarding absence will primarily go home **via email**. Parents who have downloaded the MCAS app, will also get a notification there. If you think you need to update your details to accommodate this, please get in touch.

As always, excellent attendance at school is the only sure-fire way to guarantee excellent success for our pupils. Don't forget about our Going for Gold reward scheme which concludes in the summer with a fantastic reward trip for pupils!

Safer Internet Tips...

Top Tips for Parents and Carers

Have a look at the tips and links below with some suggestions on how to get you started and help you to stay safe and positive online. You and your family can #PlayYourPart in creating a better internet by...

Having conversations without judgement.

Whether by playing games, watching videos, or doing things your child enjoys, spending time together online is a great way to start conversations about the online world and how they're finding being a part of it.

It is important to ask questions and take an interest in what your child enjoys online. An essential part of having this open dialogue is to not judge, even if their behaviour or life online isn't what you wanted or expected. This ensures that your child feels they can come to you if ever they make a mistake or experience a problem online.

Knowing where you can learn more about their favourite apps and games.

Websites like Common Sense Media or The Family Gaming Database can be invaluable sources of information. When your child starts talking about a new game or app, why not do some research into the reporting and blocking options available? Then you can help your child if they come to you with an issue.

Getting support if things go wrong.

There are lots of organisations who are there to support you and your family if something has gone wrong. The [Report Harmful Content website](#) can help you with issues such as cyberbullying, impersonation and threats. You can report worrying behaviour towards children to [CEOP](#). Find out more on [Children's Get Help page](#).

Reassuring your child that whatever happens online, you are there to support them.

Let your child know that the best way to address any problem they have online, is to tell a trusted adult immediately. For example, this might include someone sending them a friend request; an online message; telling them to visit a specific website, or app; or asking them for their personal information. Reassure them that if anything happens online that they are unsure about, or makes them feel worried or upset, they can come to you for help.
