Oversubscription Criteria

Where the number of applicants for admission exceeds the number of places available, the following criteria will be applied, in the order set out below, to determine how places are awarded:

1. 'Looked after' children, including 'previously looked after', as defined by the School Admissions Code 2021.
2. Children who will have an older sibling attending the school up to and including Y11 at the time of the applicant's proposed admission. This includes half/step or adopted brothers or sisters, who are living at the same address as part of the same family unit.
3. Children of staff at Dean Trust Rose Bridge who have 2 years continuous service at the time of application.
4. Children who live nearest to the school, measured in a direct straight line from the child's permanent place of residence to the main entrance of the school. This will be measured using property co-ordinates provided through a combination of the Wigan Local Land and Property Gazetteer (BS7666), other LA data and Royal Mail Postal Address Information.

The criteria used to determine admission refer in every case to the child's home address this means the address where the child normally and permanently lives on a full time basis, not the address of a child minder, grandparent or any other relative.

If parents are separated and child care arrangements are shared between two addresses the average of the distances of the two addresses from the school will be used to determine priority for admission.

We assume that you will always provide us with the correct factual information when you apply for a school place. You should be aware that any school place that has

been offered on the basis of false information may be withdrawn and the place may be offered to another child.

For all leasing agreements a minimum of 24 months leasing agreement is required with legally supporting documentation and also documentation pertaining to the disposal of the previous home.

Any applicant who moves address must provide evidence and legal documentation to the effect they have purchased and exchanged contracts on a property and documentation relating to proof of disposal of the previous home.

Waiting Lists

Unsuccessful applicants may ask to be placed on a waiting list and considered for any places that may arise in the future. These places will be awarded in accordance with the criteria listed above. These waiting lists will be maintained to the end of the academic year that your child has applied for, which is 17th July 2026.

Tie Break Arrangements

In the event that following the over subscription criteria points 1-4 above, where two or more applicants are otherwise unable to be separated for a place at the school, this will be decided through a random draw conducted and scrutinized by person's independent from the school and from the Children, Families and Wellbeing Directorate.

Final Tie Break Arrangements

Each random allocation event only holds for the allocation of the currently available school place. On any waiting list the remaining applicants remain equally ranked and any further place is offered as the result of a further random exercise.

Appeals

Under the terms of the School Standards Framework Act 1998 you have the right to appeal to an Independent Appeal Panel against any decision made by the school. Parents who wish to exercise this right must state their intention either in writing or on the school's online form at www.deantrustrosebridge.co.uk within 28 days of receipt of notification letter.

Applications outside of the normal age group

Parents may seek a place for their child outside of their normal age group, for example, to a higher year group if the child is gifted and talented or to a lower year group if the child has experienced problems such as ill health.

Where a child has been educated out of their normal age group at primary school, the parent may again request admission out of the normal age group when they transfer to secondary school. It will be for the admission authority of that school to decide whether to admit the child out of their normal age group.

A decision is made on the basis of the circumstances of each case.

The process is as follows:

Stage 1 – request

Parents make a formal request to the Local Authority School Organisation Team in writing with any supporting evidence they wish to be considered.

- A request for early entry into Year 7 should be made before 31 October in the previous academic year in order to give sufficient time for the case to be considered prior to the offer of school places on 1 March.
- A request for in year admission outside of the normal age group should be made on the normal in year transfer form.

Stage 2 – decision

Requests for voluntary-aided, foundation and academy schools will be referred to the school to be considered.

Requests for community and voluntary controlled schools will be considered by the local authority. They will look at the following factors but these are not exhaustive:

- Parent's views
- The needs of the child and the possible impact on them of being educated out of year group
- The child's medical history and views of medical professionals if appropriate
- In the case of children born prematurely the fact that they may have naturally fallen into the lower age group if they had been born on their expected date of birth
- Whether delayed academic, social, emotional or physical development is adversely affecting their readiness for school;
- Any other information which the parent requests the local authority to consider.

Stage 3 – outcome

Parents are notified of the decision in writing by the School Organisation Team.

Request agreed:

If the request is agreed the application will be considered for the year group requested and ranked alongside any other applications in accordance with the oversubscription criteria for the school. **There is no guarantee that a place will be offered at the preferred school.** Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

Request refused:

There is no statutory right of appeal against the refusal of a request for admission outside the normal age group. However, if the parents are dissatisfied, they have the right to complain through the Council's complaints procedure for decisions made by the local authority or under the school's complaints procedure where the decision has been made by the school.
